On March 29, 1966, Fire Alarm Box 1949 sounded at 2:53 p.m. for a field fire near Boston and Haven Streets. Firefighter Jennings G. Moser who was working on Chemical Company #1 suddenly collapsed and was rushed to City Hospital (now known as Bayview Medical Center) where he died at 8:20 p.m. He was 62 years old with 38 years of service with the Baltimore City Fire Department.

This account of the loss of Firefighter Moser was taken from the book entitled "Unheralded Heroes" written by the late William A. Murray, Honorary Chief of Fire Department and Curator/Historian of the Box 414 Museum.

All members of the department and friends are welcome to attend.
